MAYOR SUBMITS RECORD BUDGET

JOE MATTHEWS ORCHESTRA WILL PLAY AT BOYS' CLUB BENEFIT BALL

Joe Matthews and his orchestra will play at the Daly City Boys Club benefit dance in Colombo Hall July 9, it was announced by sponsors of the dance today.

Matthews and his musicians have performed in many peninsula night spots, among them the 16 Mile House, Mr. Chipps Serenade, and most recently Club Casino.

The group was formerly a trio, but Matthews has augmented his organization with additional musicians to form an orchestra which will play its local debut at Colombo Hall for the boys club benefit.

Almost all of Daly City will turn ut for the dance, judging by the advance sale of tickets, the sponsors said. A few tickets are still available, however, at Lombardi's Auto Station, Shannon Hardware, or from parents of members of the boys club.

Proceeds will be used to buy athletic equipment and recreational facilities for the club.

Bicycle Stolen

Another bicycle has been stolen from a Daly City boy. Anthony Ny of 480 Santa Barbara avenue, was swimming at Jefferson high school last Friday. His bike, which he left outside the school, had been stolen when he came out to pick it up.

F. O. E. Auxiliary Sends Delegates To Convention

The auxiliary of Colma-Vista Grande Aerie No. 1848, Fraternal Order of Eagles, sent their first delegates to a state convention at the convention held at San Jose, June 17, 18, 19.

Those attending as delegates were Past Madam President Dora Black, Secretary Frances Nenstiel, Program Chairman Agatha Heyden and Mary Wheeler. Others attending from Daly City were Junior Past President Dorothy Johnson, Vice President Lorene Gardiner and Past Chaplain Pat Severietti.

Further reports on the convention will be made at a later date.

Whist Chairmen Are Announced

Mrs. Evelyn Bosky and Mrs. Cecile Edinger will be chairmen of the whist held by the Hillside Circle No. 143, United Ancient Order of Druids, at the Masonic Temple, 17 Hillcrest drive. The affair will be held at 8:30 p. m. Monday, June 27.

PIG SQUAWKS AT LOW PRICES!

A very nasty letter was received from Mr. and Mrs. Pig this week stating that if COUNTY LINE MARKET didn't think they were worth more than 39 cents a pound they or any of their family wouldn't care to be found dead on their meat counters.

But, all's well that ends well... for you see everyone lived happily ever after when it was found that the price SHOULD have read 59 CENTS per POUND, but the proof-reader...oops!....slipped up.

Athletic Director For Boys' Club

Joseph B. Doughtery was recently appointed athletic director of the Daly City Boys' Club. He is a former star athlete of Tulsa University and the University of San Francisco.

Candy Wasn't Candy—Just Some "Pills"

Sharon Kruse, 4, of 199 Acton street and Teddy Andrews of 498 Bellevue avenue, were feeling just a little ill last week after eating some "candy" which some of their little friends had given to them.

The "candy" turned out to be pills prescribed by a doctor for their friend. They were taken to the hospital where their stomachs were pumped out.

POLICE CHIEF WILL COUNT BEANS TO DETERMINE CONTEST WINNER

Bill Sunderland, chief of police, will be counting beans Saturday at the Tromborg and Son plumbing shop in order to determine the winners of three model race cars in a special contest for boys up to 16 years old.

Tom Tromborg has offered the racing cars to the three boys who guess closest to the actual number of beans in a jar on display at the store.

The midget automobiles are the standard type used in many races in this area. First prize is a car worth about $100, complete with gasoline engine. It is capable of speeds up to 100 miles per hour. Second and third prizes are midget racers without engines.

Nobody knows yet how many beans there are in the jar — not even Tromborg himself. The number won't be disclosed until the jar is opened Saturday at 10 a.m. and Sunderland finishes counting them.

Friday is the last day for boys who want a model racing car to sign up at Tromborg's and register their guess. The store is located at 26 Hillcrest drive.

A racing fan himself, Tromborg has recently returned from a trip back east, where he saw the Indianapolis races. He has been in business here 33 years.

Girl Scouts Start Day Camp Session At Camp Mattrup

The Colma hills are today echoing with the happy shouts and laughter of nearly two hundred Brownies and Scouts who Tuesday, June 21, began their two week Day Camp session at Camp Mattrup. This Girl Scout camp on the slope of San Bruno peak is a site used primarily for day camping for the troops of Daly City, Colma, Broadmoor, Bayshore and Sharp Park. Through contributions to the Community Chest this camp has been aided and developed to help serve the community's need for a recreational facility for its youth.

Under the experienced and capable direction of Camp Director Mrs. Muriele Pabst and her thirty-six trained leaders the girls will participate in hiking, singing, outdoor crafts and campfire cookery. The camp has more than doubled its attendance over last year.

Hearty thanks should be given to the San Bruno Battery of the National Guard who came to the rescue of the girls and solved the transportation problem. Without the help of John Klingler and Ward Davis, drivers of the trucks, the vacation hopes of the scouts would have been stranded.

Helicopter Will Be Shown This Week At Gerold's

Residents of Daly City and vicinity will get their first chance to see the well-publicized Hiller 360 Helicopter here when it goes on display at Gerold's Liquor, 6379 Mission street, starting Friday, June 24.

In an effort to have the most unusual window displays in town, Gerald Columbi, manager of the store, has gone to considerable expense.

About a month and a half ago he had a small, four-passenger automobile in the window. A few weeks later he brought in a 14-foot motor boat.

But this present stunt—a helicopter yet—is the most ambitious of all. It has to be transported in pieces from the United Helicopters new factory in Palo Alto, reassembled inside the store, taken apart again to get it out. Columbi claims that his entire bill for the week will come to $1500.

And so, if you want to get your first look at the Hiller 360, see it at Gerold's. It will be on display until July 4.

You will also see Columbi and his employees dressed up like aviators.

D. C. Boys' Club To Submit Entry In Baseball School

The Daly City Boys' Club will submit an entry to the San Francisco Examiner's baseball school to see if their members may participate in the event, it was decided at a meeting Tuesday night.

Leading baseball stars participate in giving instruction at the school.

The junior baseball team of the club won two games over the weekend, the first 10 to 2 and the second 10 to 3. The senior ball club lost their game Sunday.

Beach Party Is Slated Wednesday By Rec.: Departm't.

A party at Thornton Beach Wednesday will be the highlight of "Outing Week" scheduled from June 27 to July 3 by the Daly City Recreation Department.

All youngsters may attend the event, but it is asked that the younger children be accompanied by their parents.

The youngsters will leave the playgrounds at 10 a. m. Wednesday morning with their respective directors and will hike the two miles to the beach. They are scheduled to be back at 4 p. m. Parents may drive their children to the beach if they wish. Children going with the directors, however, must obtain a permit slip to be signed by their parents prior to the date of the picnic.

Children should bring wieners and other lunch food. Soft drinks will be available. Games will be organized and supervised by the five directors who will attend.

In addition to the beach party, the various playfields in operation will each have a special event for "Outing Week." These will be announced at the playfields.

The summer recreation program, which got underway last week has reported a good turnout for the numerous activities.

This week two 'Tween Teen clubs will be organized by Glen Smith. The Crocker group will meet at the Bellevue Recreation Hall, 337 Bellevue avenue beginning Monday at 7 p. m. Thursday will be the meeting date for the 'Tween Teen club in the South Part of town. They will meet at the Castle Recreation Hall, 7339 Mission street.

Many other classes and activities are scheduled to begin this week. A schedule of the recreation events is in this week's Record. Check through it and pick out the classes and recreations in which you would like to participate.

New Pastor For Assembly Of God Church Here

Rev. Melvin W. Steward was elected pastor of the Assembly of God Church at a special business meeting held Saturday, June 11.

For the past months Rev. Steward has been co-pastor of the church with Rev. James R. Adkins. Rev. Adkins resigned the church to enter the evangelistic field prior to leaving in the fall for missionary appointment in the Philippine Islands. The new pastor assumed the duties of the pastorate Sunday, June 12.

The Assembly of God is a growing church in a growing community. It extends a warm welcome to everyone to join them in their services on Sundays and throughout the week. It maintains a very effective Sunday school with trained teachers in the Word of God.

Services of the week are as follows: Sunday school, 9:45 a.m. Sunday; morning worship service, 11 o'clock Sunday; Christ Ambassadors (youth group), 6:45 p.m. Sunday; evening evangelistic services, 7:45 o'clock Sunday; Bible study, Wednesday and Friday nights. All are invited. Services are held at 6275 Mission street.

PARISH PICNIC

LOADS OF FUN PLANNED FOR ALL

Dick Ennis, General Chairman of the Parish picnic of Our Lady of Perpetual Help Church to be held next Sunday, June 26, is busily engaged in searching for a substitute for the greased pig race which was to have been one of the featured attractions.

A protest against the event has been lodged and Ennis, who declines to name the source of the protest, called a special committee meeting and, while members were in unanimous agreement that no suffering would be inflicted on the pig, or the participants for that matter, it was decided to withdraw the race rather than become embroiled in a controversy.

Ed Cavagnaro is in charge of the baseball game and is still awaiting word from the "Great" Walter Mails as to his availability as umpire. Rival tug-of-war captains, Bill Whalen and Milt Weckerle have been scouting the Parish for brawn, and the eligibility of one individual rumored to be "Man Mountain" Dean or a reasonable resemblance has already been challenged.

Free coffee and ice cream will be served by the Holy Name Socity with Bob Gross, Fred Brickker, Bob Crooker and John Muller dispensing.

George Lombard, Bill Carrington and Roy Thompson will have charge of routing traffic to the picnic site, Rossotti Brothers Park, six miles west of Santa Cruz avenue, Menlo Park, and will be assisted by members of the California State Highway Patrol. Highway markers indicating the route to be followed have been erected at key points beginning at the Menlo Park turnoff.

The first event of the day is scheduled for 11:30 a. m.

Luncheon Honors Crocker, Woodrow Wilson Graduates

The Crocker P.T.A. honored the graduating classes of Crocker and Woodrow Wilson Thursday, June 16, by giving them a luncheon in the administration building.

The tables were decorated with the class colors green and white and blue and white. Artistic place cards were made by Mrs. Johnson. Each graduate received a ball point pen.

The two class presidents made a wish for their class as they cut the cake. Best wishes were given by Superintendent James Snell, Miss Suber, Miss Tobias, Mrs. Vint, Mrs. Mayo, Miss Belli and Miss Buchanan.

The committee assisting President Florence Schmidt was Mrs. Mary Perro, vice president; Mrs. Betty Kohlbrenner, Mrs. Eve Hobbs, and Mrs. Ilda Blackburn.

Westra Howard To Handle Juvenile Liquor Problems

Appointment of a veteran liquor control officer to handle juvenile liquor enforcement problems and serve as a liaison man between the State Board of Equalization and San Mateo county officials concerned in juvenile problems was announced today by Don Marshall, district liquor control administrator.

Westra Howard, who has served as liquor officer for seven years and who lives in San Carlos where he can easily be contacted by officials at all hours, is the new appointee.

Liquor Officer Howard will work closely with chiefs of police, the sheriff's office, the district attorney, county probation officers, principals of the high schools and other county officials.

Howard will be given considerable responsibility and room for initiative and will work directly under Marshall. This tranfer from San Francisco to San Mateo county is made possible by the assignment of a liquor officer formerly working in Fresno county to the San Francisco area.

"The Board with its limited personnell is pleased at the opportunity of increasing the enforcement staff in San Mateo county. Juvenile violations in this area have been receiving wide publicity and we are confident that Howard's presence in the county and availability to work closely with local police, county officials and sheriff's deputies will result in a prompt diminution of violations," Marshall explained.

ALTHOUGH HIGHER FOR NEXT FISCAL YEAR TAXES WILL BE LOWER

The highest budget in Daly City's history has been drawn up by Mayor Paul Green for the 1949-50 fiscal year and will be submitted to the city council for approval at the meeting June 27. The budget calls for expenditures totalling $444,650. Last year's figure was $350,400.

However, although the budget is higher, the tax rate will be reduced between 6 and 7 cents per $100 of assessed valuation, thereby providing better City services at a lower cost to the individual taxpayer, according to Mayor Green. This was due to the annexation of territory to the city and a program of new construction, making each individual citizen's proportion of taxes smaller, he said.

The proposed budget, as outlined by Mayor Green, is as follows:

There is transmitted herewith a proposed budget of expenditures for the City for the fiscal year 1949-50 (12 months ending June 30, 1949).

This proposed budget reaches an all-time high in the history of the City; nevertheless, the program contemplated will be accomplished by reducing the tax rate by between 6 and 7 cents per $100 of assessed valuation, thereby providing better City services at a lower cost to the indvidual taxpayer.

The reason for the large budget can be explained as follows (ability to lower the tax rate will be explained below):

CAPITAL OUTLAY—

Items of Capital Outlay, for equipment and repairs, total $106,550, as follows:

1. New office equipment, all departments, providing administrative efficiency, $3,400.
2. Repairs to buildings (City Hall, Library, Pump House) including painting, roofing, heating, etc., $5,500.
3. Additional police auto and radio, $2,950.
4. Streets — installation of steel-enamled street signs at every intersection throughout the city; renewing faulty sidewalks and curbs; holiday street decorations; air compressor and jack-hammer, $10,000.
5. Sewers — capital inmprovements and renewals to main sewer system, $7,200.
6. Recreation — purchase of land and land improvements and facilities, in addition to normal supervision and maintenance, $19,000.
7. Water Works — New well, water mains, pumps, etc., $58,500.

Total Capital Outlay, $106,550.

"It should be borne in mind that the above additions and betterments comprise capital outlay which will last the city for many years to come, and which will not have to be represented in future budgetary considerations for years to come. At the same time, they will contribute to a better city and provide real service to citizens.

"The lowering of the tax rate, in the face of huge expenditures for capital outlay, can be explained by the broadening of the tax rate as a result of several annexations of territory to the City, and to a vigorous program of new construction. This expansion makes each individual citizen's proportion of taxes smaller than would have been the case without expansion, resulting in a more efficient tax dollar.

"The proposed budget provides for additional personnel: one additional service man in the water department, and one clerk-stenographer to handle general administrative functions. In addition, funds have been allocated for the intended employment of a city manager.

"In the item pertaining to Recreation, provision is made for purchase of equipment and apparatus as improvements to recreation facilities — and maintenance of the level of supervision and recreational leadership is provided as well.

"Salary rates contemplated in the budget have been recommended by the Civil Service Board of Review and reflect an approximate increase of 5% over 1948-49 figures, after consideration of cost-of-living factors.

"Although the tax rate for the 1949-50 fiscal year need not be adopted until September, 1949, an estimate of the proposed tax rate, applicable to the within budget, is as follows:

Suggested tax rate, 1949-50 (entire city): general government, $1; state employees' retirement fund,

Local Students Graduate From San Mateo Jaysee

Daly City and Colma had six students receiving diplomas from San Mateo Junior College Sunday. Daly City had Nathan Agresti, Rosemarie Attensia, Frank Heiss, and Martin Pahlka; Colma, Emanuel Damonte and Don Carl Stiewel.

The twenty-seventh commencement exercises of the San Mateo Junior College saw a large class of 307 students receiving diplomas in the beautiful Woodland Theatre in Hillsborough, with President John O. Moseley of the University of Nevada giving the main address.

Graduates and faculty members were attired in the traditional caps and gowns. The college band played for the processional and recessional, the college a cappella choir sang two selections, and numerous scholarships and other awards were given to outstanding students. President Charles Morris presented the graduating class and Jorgen Johansen, president of the college board of trustees, gave out the diplomas.

Just previous to the exercises the class met for brunch at the Magnolia in San Mateo, while last Friday evening the class held its Sophomore Formal dance at the Hotel St. Francis.

With the term now over, the college turns its attention to its summer program and to plans for next fall. The Peninsula Little Theatre of the college will give a number of plays in its Hillbarn playhouse, and the college canning center is now open for the summer to assist the housewives of the county in canning fruits, vegetables, and meats for home use. More information can be had by phoning the college or by visiting the plant on the Baldwin campus in San Mateo.

Local Man Now In Army Service At Kobe, Japan

Pfc. Martin S. Enright, son of Mr. and Mrs. Joseph Enright, 966 Hanover street, is now serving at Kobe Base with Headquarters Company. Kobe Base, located at Japan's largest seaport and the center of her import-export trade before the war, has the important mission of providing supplies for all of the occupation forces in southern Japan.

Pfc. Enright attended school in Daly City. He entered the Army in May, 1947, and came to Japan in September, 1947.

He is working as a clerk with Headquarters Company at Kobe Base. His unit has the responsibility of working in administrational duties at Kobe Base Headquarters. He has been in Kobe since arriving in Japan.

CAR OUTPUT

The days when the car buyer must wait for delivery of a new machine have just about vanished. With rare exceptions, he can now get what we wants without delay, without a trade-in and without leaving his right arm. And unless something drastic happens, like a war, the buyer will stay in the "driver's seat" from now on. Car production is moving higher in spite of the frequent work stoppages which plague the automotive industry. This means more competitive conditions in the sales field.

Last week the manufacturers hung up a new 12-year record for output when 144,937 cars and trucks rolled off the assembly lines. This was more than 3,000 over the previous postwar high. It is estimated that for the year thus far 2,875,484 cars and trucks have been produced as against 2,447,126 for the comparable period of 1948.

The increase is all the more significant since truck output has dropped. It has taken a long time for production to catch up with demand, but the little man who wants a car can, at long last, enter a salesroom on his feet instead of his knees.

MANY TOO MANY

It has often been said before, but needs to be said again, that the number of fund-raising drives has become excessive. Hardly a week goes by but that one organization or another launches a campaign to get money for the support of its activities. This not only keeps the public under constant pressure for contributions but makes heavy inroads on the time of businessmen and other citizens who, out of civic loyalty, donate their time and effort to help put these drives across.

The unceasing requests for financial aid has caused many campaigns to fall short of their quotas. Frequently when this happens a drive is extended for a longer period, so that it is not unusual to have several going on at once. This comment is not intended to belittle the great work done by most organizations which depend on public contributions. But it is hoped that this comment, along with that of others, will help to awaken charitable and philanthropic groups to the realization that they'll have to get together and work out some schedule that will give the average citizen an occasional respite from the pleas for money.

. . . . . The world now has so many problems that once in a while you can find a college graduate who doesn't have all the answers for them.

"OPERATION SAFETY"

It's just as important to safety to be cautious before you drive your car as it is to use common sense when you're at the wheel.

In other words, you'll be safer on the road — and so will pedestrians and other motorists — if you take the trouble to have your car checked regularly for mechanical defects. The National Safety Council is stressing this point in its current "Operation Safety" program of traffic education.

Worry is like a rocking chair. It gives you something to do, but it won't get you anywhere.—El Mustang.

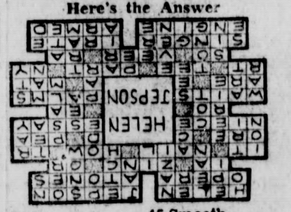
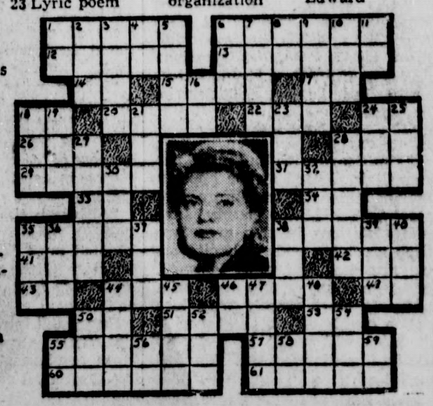
Here's the Answer





Veterans Weekly News Column

Veteran-students graduating this year and planning to move from the area served by the Veterans Administration District Office to which they have been mailing their National Service Life Insurance premium payments, should notify VA immediately of their new permanent address.

VA pointed out that a veteran's NSLI records are kept in the VA District Office supervising the area in which he maintains his permanent address.

The sooner the veteran notifies VA of his change in residence, the sooner VA can transfer his insurance records to the VA district office having jurisdiction over the area in which he will reside.

When advising VA of his new address, the veteran should identify himself fully, indicating his NSLI certificate number, former address and new address. Changes in address may be noted on the space provided for such changes on the flap of the regular VA remittance envelopes.

The number of veterans of all wars reached 18,915,000 on May 1, 1949, Veterans Administration said. Of these, 15,143,000 served in World War II. The remainder were veterans of World War I and other wars.

When the nation's population of veterans and members of their families reaches its expected peak of 60,000,000 in 1955, Veterans Administration predicts that the number of veterans of all wars will be 17,200,000, and the number of persons in their families, 42,900,000.

Question: I wish to convert $5,000 of my $10,000 NSLI and continue the balance as term insurance. Will I be permitted to do this?

Answer: Yes, this is permissible under the law.

Question: My widow's pension was discontinued when I rented my home to increase my income. I now reside in my home and wish to reapply for a widow's pension. Will a reasonable rental value be counted as income?

Answer: No. The reasonable rental value of such property is not a factor in arriving at the amount of annual income.

Question: Will you please tell me in what order of preference the flag will be disposed of following burial of a veteran.

Answer: Priority is as follows: Widow or widower; children according to age, with sons having preference over daughters; father; mother; brothers or sisters; uncles or aunts; nephews or nieces; cousins; and grandparents. In-laws and friends are not entitled. Except when circumstances existing at time of death prevent the issuance of a flag to drape the casket, no flag will be issued subsequent to the burial.

Floyd D. Granger, veterans service officer, called attention to a last minute drive by veterans organizations to see that every eligible veteran has filed his claim for a free automobile from the government before the law expires on June 30, 1949.

Granger said that many disabled veterans are not familiar with the law granting an automobile or other conveyance not to exceed a cost of $1600, to any War II veteran who lost the use of one or both legs at or above the ankle.

Veterans are warned that unless the law is again extended, they must have their claims filed and considered by the Veterans Administration before the June 30th deadline.

Assistance in compiling the necessary applications may be obtained at the Veterans Service Office in the courthouse, Redwood City.

The Bodmers Get A New Son, "Rickie"

Mr. and Mrs. John Bodmer are at home to callers this week.

They have a new baby, Richard John, who was born Tuesday, June 14, at 10:43 a.m. in St. Mary's hospital. He already has a nickname—"Rickie."

Mr. and Mrs. Charles Vernergo, 398 Bellevue, are the maternal grandparents. Mr. and Mrs. Adam Bodmer, Ironton, Ohio, are the paternal grandparents.

New Parodi Baby Will Have "Monthiversary"

Michael Edward Parodi will celebrate his first "monthiversary" next Thursday, June 30. He was born last Memorial Day, May 30, at 6:18 p.m. in St. Mary's hospital in San Francisco. He weighed in at 6 pounds, 2 ounces. His proud parents are Mr. and Mrs. Ben Parodi of 65 Parkview avenue.

Mrs. Parodi is the former Barbara Ford. Mr. and Mrs. John Parodi, 17 E. Cavour, and Mr. and Mrs. Gus Ford, 65 Parkview, share the honor of being new grandparents.

COLMA BOYS CLUB WINS LEGION TEAM LOSES

With the aid of Pitcher Rico "Babe" Ottonello, the Colma Boys Club seniors shutout Larkspur 7 to 0 in a game played at Corte Madera last Sunday.

Ottonello pitched a no-hit game for the full seven innings, while his teammates piled up enough runs to stop Larkspur.

The seniors will play Marty Gary at Marchbank Sunday afternoon, June 26, beginning at 2 o'clock. The game promises to be a lively one and a large group of spectators is hopefully expected by the boys club. Admission is free.

Two hours before the seniors' game, the Colma Boys Club juniors will come up against Mission Inn at the Jefferson Union high school

New Depths Plumbed In Search For Fish

Great ocean depths are being plumbed off this prosperous fishing port in an endeavor to locate rich new fishing grounds 300 fathoms down.

A score or more of the local otter-trawl vessels exploring these new frontiers are bringing in astonishing catches of fish. Not only are the catches unusually large, the fish are also big.

Methods and equipment used by the deep draggers is simple and not revolutionary, but behind the system is a great deal of experimentation and research in which a number of Eureka fishermen and operators have invested considerable study, time, effort and money.

The new technique employs very heavy gear with sufficient cable and proper net-rigging to overcome the stresses and strains at this great depth, and still fish effectively.

As an illustration of the phenomenally heavy catches reported from this new deep dragging, boats remaining out three or four days frequently return to port with from 30,000 to 35,000 pounds. And some fish taken at these depths are abnormally large — a gian sole measured 24 inches.
field at noon.

Outcome of last Sunday's game between the juniors and the Wisconsin Club was contested and will have to be replayed, probably late in the season.

These boys club juniors, who are all on the Jefferson Union high school varsity, have been making a good showing so far, and are expected to come out near the top of their league, Class B, American League, in the San Francisco recreation department summer program.

After a few setbacks earlier in the season, the local American Legion junior baseball team really played ball last Sunday at Menlo Park, although they lost the game to Menlo 4 to 3.

John Tull, new hurler for the Legion team, showed a lot of stamina when he pitched the full nine innings, striking out 18 of the opposition.

Performance of the team was encouraging, John J. Derungs, junior baseball chairman, said yesterday.

"With a little more practice and teamwork I am quite sure the lads of the American Legion will give a good account of themselves," Derungs added.

Next Sunday, June 26, the junior Legion team will play the Redwood City Legion team at Marchbank Park. The game starts at noon, but many local fans will arrive early to get good seats. Admission is free.

The Daly City Blues will play Bagdad owl at the Clubhouse, Seventh and Bryant streets, San Francisco, at 2 p.m. Sunday. The Blues are in Class A, National League, in the San Francisco recreation department's summer program.

The South San Francisco Rockets will come up against the Funston Dandies in South San Francisco at 2 p.m. Sunday.

Budget

(Continued from page 1)

15c; 1941 fire department improvement bond fund, 2.7c; 1949-50 fiscal year, $1.177.

Actual tax rate, 1948-49: general government, $1; state employees' retirement fund, 18.8c; 1941 fire department improvement bond fund, 5.4c; 1948-49 fiscal year, $1.-242.

Old city and annexes 1-4, inclusive, $1.177.

Annexes 5, 6, 7, $1.15.

"RECOMMENDATION:

"It is recommended that the Water Works Reserve Fund, for additions and betterments of the municipal water system, be continued, but, instead of using a tax item for revenue, that ten per cent of actual water revenue be set aside in this fund. This will permit the water system to be set up on a self-operating, pay-as-you-go basis, and provide adequate reserves to keep the plant in A-1 condition.

"The proposed budget has been subject to discussion and revision by department heads and councilmen in several caucus meetings and I believe it to represent a program which will prove to be in the best interests of the taxpayer during the new fiscal year.

"I therefore recommend that the budget be adopted as submitted, and that the purchasing agent and department heads be directed to keep expenditures within their respective allocations and that no obligations not set forth in the budget be incurred without prior approval of the city council in regular meeting.

Respectfully submitted,
J. P. GREEN
Mayor

Special Program This Sunday At Nazarene Church

There will be a combined Children's Day and Promotion Day program presented at the Grace Church of the Nazarene, 101 Vista Grande avenue, on Sunday, June 26.

The program, which has a missionary theme, has been under the direction of Mrs. Eldon L. Heise of San Francisco. The children from each department of the Bible school will have a part. Several recitations and songs will be given by the beginner and primary children. A play entitled "His Word Marches On," with the characters in costume, will be enacted by the juniors. The intermediates will give a choral reading. Friends are invited. It will start at 9:45 a.m.

The regular weekly choir practice will be held this week at the home of Mr. and Mrs. H. R. Miller, 279 Irvington street, on Friday at 7:30 p.m. Anyone who enjoys singing is invited to attend. Refreshments will be served.

Most recent duels in France have been fought between politicians and journalists.

BUSINESS BRIEFS

Hush! Hush! There's going to be a building full of bowling alleys in this town maybe this year—another one of these half-million dollar projects, to be sponsored by local business men. This is a secret. Don't tell anybody.

* * *

Westlake Furniture, located farther up Mission street, is now sponsoring a radio show—Jack Gregson's Platter Party, every Monday, Tuesday, Wednesday, and Friday over KJBS at 11 a.m.

* * *

Merchants in the 7300 block on Mission are involved in a flurry of face-lifting operations on their stores. Several alteration jobs are near completion and a few more store-owners may be planning to beautify their places of business soon. Lucca Market will emerge as a supermarket in the last week in July, according to Manager Tom Stanghellini, while Fred Biagini of Anchor Drugs, reports that a new look will grace his corner store in about two months.

* * *

At the other end of the same block George Buttle is getting ready to open his new plumbing shop soon.

* * *

Gerrans Paint Store opens this week at 164 School street. The store will sell L & H and Dutch Boy paints, wall paper and other painters' and decorators' needs. Equipment will be rented.

Mr. and Mrs. Albert Gerrans, owners, are longtime residents of this area. They have two children, Albert Jr. 12, and Barbara, 10.

* * *

King's Market, which was almost completely destroyed by a fire set in the basement by an arsonist on May 24, will reopen in a temporary location in Broadmoor Village soon, Mike Jacobs, one of the owners, announced today.

Court St. Mary Install Officers, Initiate Ten

Court St. Mary No. 1155, C. D. A., held their group installation ceremonies at a recent meeting. The group of officers chosen by the court for the coming year will be under the grand regency of Mrs. Elizabeth Wettstein, who was unanimously voted to serve a second year.

The same evening, the court also held an initiation of new candidates. The ten candidates to become members are as follows: Mesdames Alvina Freeman, Mary B. Steil, Patricia C. Lenstrom, Ruth Doty, Mary T. Britschgi, Elizabeth A. Ahern, Helen Barraza, Charolotte Gonzales, Dorothy Aileen Brenner and Mrs. Veronica M. Whalen.

Honored guests for the evening were Rev. Thomas Walsh, Rev. William Stewart, the Court's district deputy, Mrs. Ruth Block, and many officers and members from other courts including several from San Jose, San Francisco, Redwood City, San Mateo and the bay area.

Gifts were presented by the grand regent to the outgoing officers. Mary Steil, one of the new members, sang "Ave Maria."

Mrs. Evelyn Weckerle, the court's extension chairman, was chairman of the social that followed. She and her committee served over a hundred guests at an elaborate buffet supper.

Leaves To Attend Annual Girls State

Miss Jola Gorsuch, selected to represent the American Legion Auxiliary at Girls State, last week left for Sacramento where the miniature state operated by girls will be in session this week. She is being sponsored by Daly City unit No. 410 and Brisbane unit No. 474, American Legion Auxiliary, and was selected from the girls of last semester's junior class at Jefferson Union high school on a basis of character and leadership.

At Sacramento she will join 360 other girls, selected on a like basis from high schools throughout the state, in forming and operating a state government of their own. They will organize political parties, hold conventions and campaigns, elect state officers, and carry out the legislative, executive and judicial functions of a state government.

Girls State is sponsored each year by the California Department of the American Legion Auxiliary to give training in democratic government to potential leaders for the future. The girls are taught to handle the machinery of democratic government by actually handling it, according to Mrs. Catherine Foreman, Girls State chairman of the local auxiliary unit. A similar Boys State is held annually by the California Department of The American Legion.

Girls States will be held in every state under Legion Auxiliary sponsorship this summer, giving citizenship training to an estimated 10,000 girls. Two girls will be selected from each Girls State to attend Girls Nation, to be held by the Auxiliary in Washington, D. C., in August, for the study and practice of national government.

SPORTSMEN'S CALENDAR

These—without anything borrowed or blue—can give to her Wedding Day the sure promise of happiness.

Something old? A *faith* in God such as has been the foundation of life for millions of Christians before her. A simple conviction found in the religious instruction she received as a child, nurtured in regular worship at Church, ready to go with her through the years.

Something new? A *love* for the one she has consented to marry. A tender devotion that will grow richer and deeper as they share the sunshine and shadows of life.

With these two—the "something old" that lives in her soul, and the "something new" that thrills in her heart—she comes to her husband. And if he comes to her bearing the same treasures, their marriage cannot fail!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Lakeside Chapel Was Scene Of Legerton Wedding

An apartment on Hyde street awaits the return of Mr. and Mrs. Louis Legerton from their honeymoon at Boulder Creek.

The young couple was married last week at the Little Chapel of Lakeside at an 8 o'clock evening ceremony performed by the Rev. Roberts.

The bride, daughter of Mr. and Mrs. John Beal of 245 Willits street, Daly City, was gowned in white slipper satin. The dress was styled with a net yoke and a round neckline with a fitted bodice and full skirt. The long sleeves were pointed at the wrists. On her head, the bride wore a heart-shaped halo made of net and trimmed in orange blossoms. Her fingertipped veil was fastened to the halo. She carried a white prayer book with a white orchid and streamers of satin ribbon and stephanotis. Her father, John Beal, gave her in marriage.

Matron of honor was the bride's sister-in-law, Mrs. Eunice Beal. She wore a gown styled similarly to the bride's except that it had no train or sleeves. She carried white and red roses.

The bride's only other attendant was her bridesmaid, Esther Bechendorf, who wore a white dress of marquisette. She also carried red and white roses. Best man for the groom was a friend, Don Carossa.

The bride's mother wore a navy blue suit with white accessories. The groom's mother, Mrs. Lou Williams, also wore a navy blue ensemble.

After the wedding a reception was held at the home of the groom's parents, Mr. and Mrs. Lou Williams, of 2048 Santiago avenue.

Doris Jean formerly attended Jefferson high school. Her husband is at present attending University of San Francisco where he is studying law.

Adelaide Hogan

Adelaide Hogan, for 37 years a resident of Daly City, died at the age of 74 on Monday, June 20. Her death was the culminaton of a long illness.

She had lived at 244 Hillcrest drive.

Funeral was held Wednesday at W. C. Lasswell and company. Burial was at Cypress Lawn the same day.

Mrs. Hogan was a native of Belfast, Ireland. She leaves a daughter, Adelaide Hogan, also of 244 Hillcrest drive, and a brother, George Riddell, of Templeton avenue.

Hans Toft

Hans Toft died at home after a lengthy illness Wednesday, June 22. He had lived here with his wife, Maria Toft, at 389 Wellington avenue for the past six months.

Funeral will be Friday at W. C. Lasswell and company, cremation the same day at Cypress Lawn.

Toft was born in Mandel, Norway, 82 years ago. He came to Daly City from Point Arena. Besides his wife he leaves a brother, Thom Tonneson of New York, two nieces, Mrs. Stephan Ward of Daly City, Mrs. Adele Withrow of Point Arena, and a nephew, Clarence Nicks of Oakland.

Southwest Fort Being Restored

TWO HUNDRED years from now boys and girls may have something different from radios, television and movies for their enjoyment, but it's safe to say that whatever new form of drama may appear, the old-fashioned kind—cowboys and Indians—will still have a big following. Boys and girls all over the world are thrilled by stories of frontier days in the Old American West.

One of the most glamorous of western figures is the soldier who matched strength and skill against the equally resouceful Indian. When people were pushing West across the country, hundreds of forts guarded caravan trails. Today only a few of these historic places still stand. Among these is Fort Davis, out in the "West of the Pecos" country in Texas.

Today the old post is getting its face lifted under the direction of Judge David A. Simmons of Houston.

• • •

FORT DAVIS was called the "fightingest" outpost of the Old West after it was built in 1854 to protect gold seekers who were California bound. The reason was its location—in the Davis mountains, ancestral home of the fierce Apache Indians.

These tough redskins were dead set against letting paleface soldiers get a foothold in their stomping ground. Sometimes the Apaches drove the troopers back to their barracks to lick their wounds. Again, the cavalry forced the Indians back to the high peaks. It was touch and go until finally the superior weapons of the white man won out.

Apaches had things their own way during the Civil War when soldiers were withdrawn from Fort Davis. After the war troops came back and years of white-hot fighting were ahead.

• • •

THE old fort even had romance—the story of Indian Emily, for that was the only name by which she was known.

Emily, an Apache girl, was wounded during one of her people's raids. Nursed back to health by the mother of Lieut. Tom Easton, she remained as the Easton family maid. But she fell in love with the young lieutenant, although she never once spoke of her affection.

Tom, however, fell in love with the daughter of a settler and was married. Heartbroken, Indian Emily disappeared. The Eastons assumed that the girl was homesick for her people and had gone back to her tribe.

Months passed and then, one coal-black night, a sentry heard someone trying to slip into the post. He challenged and received no answer. Then he fired at a shadowy figure. There was a woman's cry and the sentry found Emily mortally wounded.

Emily called for Mrs. Easton, who was summoned. The girl spoke faintly, in great pain. Her people, she said, were coming in greater numbers than ever before. There would be much killing. Emily had come, she said, "so Tom no get killed." Emily died a few moments later.

The next morning the Apaches struck, but the soldiers of Fort Davis were ready for them and hurled them back, and Lieutenant Tom "no got killed."

Words of a Feather

BY WALTER KING

WORDS of a feather flock together. When you hear one word spoken it often brings to your mind another related word.

If somebody mentions Paris your thoughts may immediately flash the words "Aunt Mary." (If Aunt Mary has visited Paris.)

What thought first comes into your head when we mention "School?" It probably is "Teacher."

Now here is an interesting test. It will tell whether your first thoughts are like those of most other people your age.

Have a friend read out, one at a time, the 20 words printed below. As he does so, shout out the very first word that pops into your head and have him write it down. You can also do it alone, if you're honest. When finished, compare your answers with the printed list of "standard answers."

1—Table. 2—Slow. 3—Butterfly. 4—Whistle. 5—Foot. 6—Red. 7—Sleep. 8—Girl. 9—Music. 10—Deep. 11—Eat. 12—Atom bomb. 13—Eagle. 14—White. 15—Fruit. 16—Short. 17—Needle. 18—Ship. 19—Arrow. 20—Adam.

If you have more than 15 answers the same as the standard list below it means you think pretty much like the majority of other people.

If you have less than 10 answers the same as the standard list it indicates you have a very original mind.

Between 10 and 15 is the average score.

Here's the list:

1—Chair. 2—Fast. 3—Insect. 4—Noise. 5—Hand. 6—Color. 7—Bed. 8—Boy. 9—Piano. 10—Shallow. 11—Food. 12—War. 13—Bird. 14—Black. 15—Apple. 16—Long. 17—Thread. 18—Ocean. 19—Bow. 20—Eve.

Articles To Acquaint Public With History Of Woodrow P. T. A.

The Woodrow Wilson Parent Teachers Association wishes to bring you up to date on the history of their unit in a series of articles being published in the Daly City Record, and to acquaint the general public with the progress of the association since its organization in 1923.

Happy Birthday!

By Harry Castiglioni

We have only six names on our Happy Birthday List this week—very discouraging. More people should be born in June. It's a beautiful month.

Kathleen Eserini, 669 Miller avenue, starts the parade by observing her birthday on June 24. Next on the list, Alma Ruth Hart of 1420 Sweetwood drive will celebrate on the 25th.

Eugenia Winter, 619 San Diego avenue, comes into our birthday spotlight on June 27.

June 28 is the anniversary of the signing of the peace treaty of World War I in 1919, but we have nobody on the birthday list for that date. On the next day, however, we have Lillian Casentini, 63 Mateo avenue, scheduled for a birthday—June 29, that is.

J. R. Stevenson, 12 Garden lane, and Stella Maffei, 296 Station avenue, finished up this week of birthdays by having theirs on June 30.

Harry wishes all of these people a very happy birthday.

REMINISCING WITH WOODROW WILSON P.T.A.

1923-1924 — The Woodrow Wilson - Vista Grande Parent Teacher Association was organized in 1923 by Past Federation President Mrs. Valla Ledwith and Miss Bella Fawcett, principal of the school. At that time the unit was a part of second district, which consisted of Marin, Sonoma, Napa, San Francisco and San Mateo counties, of which Mrs. W. J. Hayes was president.

The chief aim of Miss Fawcett in organizing the Woodrow Wilson - Vista Grande P.T.A. was to get better acquainted with the mothers.

Mrs. McIsaacs was elected as first president with Mrs. L. Brown finishing the one year term. Fifty members met once a month. Meetings were held alternately at the Woodrow Wilson and Vista Grande schools. Miss B. Fawcett gave a theatre party at Winter's Theatre, with teachers and pupils taking part. This year a phonograph was purchased for the school. Playground equipment was also purchased and set up to improve the school yard.

1924-1926 — In 1924 Mrs. Elmers was elected president and served a two-year term. Mrs. Elmers' goal was music. The late Mrs. Alice Bentley was music director of the Mothers' Choir, which gave two musicals; one at the high school and the other in the M.E. Church on the corner of Vista Grande and Santa Barbara avenues.

1926-1927 — Student Aid was stressed by the fourth president of Woodrow Wilson - Vista Grande P.T.A., Mrs. Jonkers, who served one year. She started entertaining the graduation classes with parties and theatre parties.

1927-1928—Continuing with student aid work was Mrs. Francis Rickman, who served two years. A sewing class was organized which met each week. Baby layettes, clothing and fancy work were made. A bazaar and play were held at Masonic Temple. A dinner was held at Lido's for the fourteen members attending three-fourths of the meetings for the year. A Christmas tree was purchased for the kindergarten. The graduation classes were taken to the Berkeley Stadium for a picnic.

News Notes From Colma P.T.A.

The Colma P.T.A. held the Father's Night pot-luck dinner June 7 at the Colma Community Center.

The 75 members and guests enjoyed a dinner of spaghetti, roast beef, rolls, relishes, salad, cake and coffee.

After dinner Gino Landi and his two children, Juliane and Richard, entertained the audience with several pieces played on their accordions. Mrs. Erda E. Branstetter played the piano while the audience sang several songs. Mr. Ivan of the Peninsula Y.M.C.A. presented a movie entitled "Y.M.C.A. Camp Life for Boys and Girls."

The members were pleased to have present: James L. Snell, superintendent of the Jefferson School District, and Mrs. Snell; Mrs. Hazel Colwell, principal of the R. S. Thornton School; and Miss Marie Traynor, principal of Jefferson Elementary School.

Mrs. Helene Mori, chairman of the Pot-luck Dinner committee, wishes to thank everyone who donated food and energy to make the event such a wonderful success.

Bridal Shower Given To Honor Barbara Erickson

A bridal shower was given in honor of Miss Barbara Erickson June 17 by Mrs. John Parodi of 350 Evergreen avenue, Daly City. Miss Erickson will become the bride of Alfred Parodi, son of Mr. and Mrs. John Parodi, August 28. The bride-elect is the daughter of Mr. Emil Erickson of San Francisco.

The table was decorated all in white with a "sprinkling can" for the center piece.

Guests included Mesdames M. Venturino, J. Cortes, O. Battaglia, J. Mosman, R. McDonough, H. Rode, S. Samuelson, L. Ghio, K. Restani, J. Rossi, A. Valletta, L. Valletta, C. Spittler, G. Massoni, D. Valletta, R. Gardella, A. Cortapassi, R. Thompson, Mrs. Vernazza, S. Cardenti, J. Hoelting, M. Parodi, J. Revetria, L. Poepetto, A. Stange, B. Stange, and Misses P. Cortes, M. Mosman and J. Valletta.

Gen. Pershing P.T.A. Sets Up Program For New Year

An excellent program for the coming school year was set up by the program committee of General Pershing P.T.A. when it met at the home of Mrs. George Freeland June 22.

The program is designed to use the talents of school children as much as possible, and to have the widest appeal to parents. Suitable themes for each month were decided upon, only after much suggestion and discussion by the committee members, and concurrence by the majority.

It was suggested a skit be written and acted out by the members for Founders Day, instead of the usual candle lighting ceremony. This suggestion was greeted with enthusiasm and it was so decided.

Committee members were: Mrs. George Freeland, chairman; Mrs. Robert Pool, Mrs. Raymond Gross, Mrs. E. K. Whinnen, Mrs. R. F. Traxler, Mrs. D. C. Gensel, and Mrs. H. S. Holcomb.

After the meeting chocolate and home made cookies were served by Mrs. Freeland.

Parents, children, P.T.A. members, remember that Friday, June 24, is the day of the school picnic at San Mateo park. Come early and stay all day. If you do not have a car, take the Greyhound bus, get off at the station in San Mateo and walk about two blocks ahead and one to the right and there is the park. In the past these picnics have always been fun; we think you will enjoy this one.

There will be some publicity through the summer, perhaps, but not much, so General Pershing P.T.A. takes ths opportunity to wish you, one and all, a happy vacation.

Attend Luncheon At Villa Chartier

Mrs. Lillian Felch, president of Daly City Unit No. 410, American Legion Auxiliary; Mrs. Catherine Foreman, chairman of Girls State for Daly City unit No. 410; Miss Jola Gorsuch, Girls State representative; Mrs. Gorsuch and Miss Beverly Finnegan, 1948 Girls State representative for Daly City unit No. 410, attended a luncheon at Villa Chartier given by the 26th District American Legion Auxiliary for the eight Girl Staters of San Mateo county. The girls will take part in the sessions held at Sacramento this week.

Mrs. Lillian Felch, president, Mrs. Agnes Prescott, Mrs. Kathleen Matzek, Mrs. Olga Bordson, Mrs. Leslie Hansen, and Mrs. Vivian Pahlka attended a meeting of the 26th District American Legion Auxiliary held at East Palo Alto Legion Hall last week.

F.O.E. Auxiliary Holds First Meet Of New Term

The Ladies Auxiliary of the Fraternal Order of Eagles, 1848, held their first meeting of this term with the new officers taking the chair for the first time.

Six new candidates were welcomed into the auxiliary. They were Eleanor Clarke, Midge Fehl, June Leone, Mary Conti, Sally Briseno and Madaline Serio. The initiation work was put on by the new officers with special drill by the escort team.

Special entertainment was given by Mrs. Carol Freeland and Mrs. Dorothy Traxler. Agatha Heyden reported that the food sale was a big success.

The new president, Doly Lewkowitz, appointed her chairmen and committees for the year. They are: Marge Lynch, hospitality; Laurette Bertelli, publicity; Mary Vobrib, secret pals; Freda Pedersen, visiting; Dolores Warren, delinquent; Dolly Davison, membership; Agatha Heyden, programs; June Siem, presidents book; Alberta Diebel, bowling; Rosalyn Adams, drill captan; Marge Kennedy, escort team; Greta Owen, Lillian Miller, Clara Scally, finance committee; Christine Hulme, Thelma Ferretti, Madaline Ford, auditing committee; Edrie Summers Sr., Edrie Summers Jr., and Mrs. Mona.

A delicious spaghetti feed was enjoyed after the meeting.

The first whist will be held July 19 at 1 p.m. at Eagles Hall. Tickets will be 50 cents.

CROCKER P.T.A. NEWS AND NOTES

Crocker P.T.A. met Tuesday, June 14, at the General Pershing school. Mrs. Florence Schmidt presided over the meeting. The budget for the coming year was read and approved by the unit.

An interesting report was given by Mrs. Eve Hobbs on the district meeting. Mrs. Effie Jordon gave a report on the State Convention and passed on many new ideas she received on membership and publicity. Mrs. Jordon also presented the Crocker unit with the first publication of a newsette which she will put out for the coming year.

Refreshments were served by the hospitality committee after the meeting. Mrs. Schmidt closed the meeting with a "happy vacation" to all hoping to see the members at the get-together on July 7 at the Sir Francis Drake Hotel.

And members, don't forget to contact Mrs. Ann Eason in regard to the annual picnic at San Mateo Park.

Barbara Schramm Is Honoree At Graduation Party

Barbara Schramm, daughter of Sergeant Otto Schramm, was one of several who graduated from Crocker School last Friday evening. Following the exercises, open house wsa held in her home at 26 Vendome avenue. Over 100 guests were entertained by her mother, Mrs. Beulah Berkhout.

Besides the boys and girls who enjoyed the dancing and refreshments, several others dropped in to congratulate Barbara. Among them were Mr. and Mrs. Everett Coil, Sergeant Schramm, Officer Nielson, Raymond Newman, Mr. and Mrs. John Perada Jr., Mrs. Lou Crowley, Mrs. Marie O'Kane, Mr. and Mrs. Joseph Cotton, Mr. and Mrs. A. Cotton, Mr. and Mrs. Emile Miller and Mr. and Mrs. Frank Barskey, Mrs. John Balderossi and Mr. John Schmidtke.

The decorations were carried out in Crocker's green and white colors.

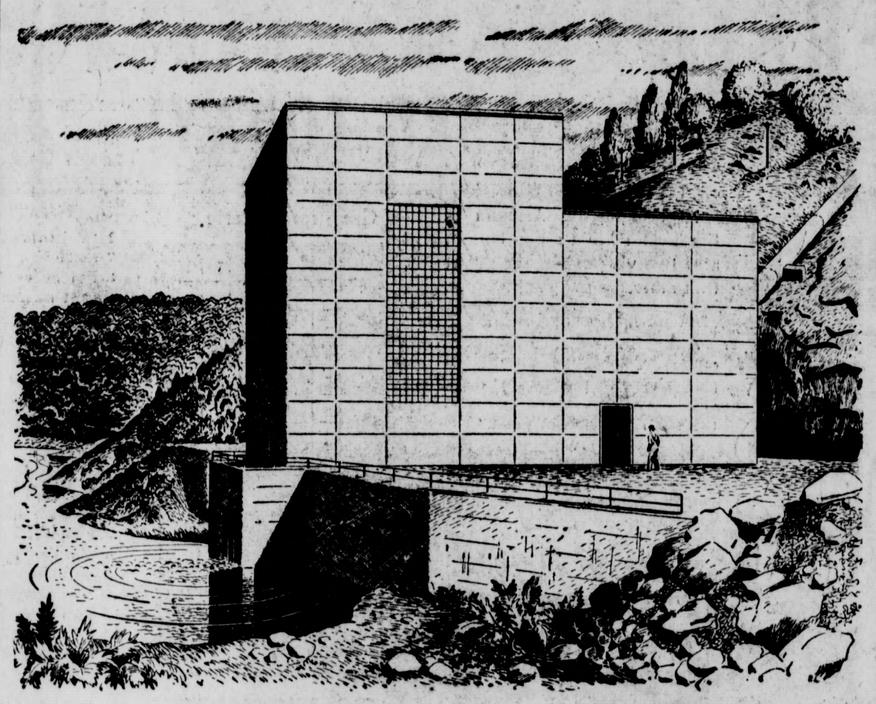
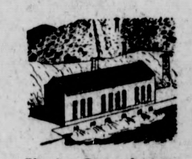
Another P. G. and E. power-producer on the line



Colgate is fifth plant added to the system in thirteen months

There's new power pouring from the Yuba River today... 40,200 horsepower. A few days ago the tumbling Yuba waters began spinning the generator in P.G. and E.'s new Colgate plant built to replace the pioneer Colgate unit that first supplied Oakland with electricity half a century ago. Colgate is just one of the many powerhouses ...completed or building...in P.G. and E.'s postwar expansion program, which is adding nearly two million horsepower in new generating capacity to our system. In the past thirteen months alone this program has paid big power dividends... a total of almost 600,000 horsepower from five new major plants. In addition to Colgate, they are:

Kern Steam Plant, near Bakersfield, began turning out 101,000 horsepower for California in May, 1948.



Electra Powerhouse, on the Mokelumne River, 133,000 horsepower, came on the line in July, 1948.

West Point Powerhouse, also on the Mokelumne, added another 21,000 horsepower in November, 1948.

Station "P," the steam giant by San Francisco Bay added 298,000 horsepower in February, 1949.

Work never stops on our power-building program

Job-reinstatement Draft Law Provision Is Still In Effect Declares Floyd Granger

Men who enlist in the armed forces or reservists who enter upon active duty still enjoy the job-reinstatement protection of the 1948 draft law even though no draft calls are being made, according to Floyd Granger, veterans service officer.

The new selective service law contains reemployment rights provisions similar to those that applied under the wartime draft law, Granger said. In general, those provisions guarantee restoration of his job to a man who enters military service, even though, in the case of a reservist, the active duty orders are issued at his own request.

Granger serves as a volunteer committeeman for the Bureau of Veterans Reemployment Rights of the U. S. Department of Labor. In this capacity, he not only assists recently discharged ex-servicemen to regain their former jobs, but also helps the wartime veteran who already has his old job back but now faces problems involving seniority, promotion, vacation, etc.

Interested veterans can get further information about their reemployment rights at the Veterans Service Office, in the courthouse, Redwood City.

St. Michael's Parish Announce Whist On Friday, June 24

The Ladies Sodality and Holy Name Society of St. Michael's Parish will hold a mammoth whist game Friday, June 24, at 8:15 p.m. in the parish hall, 32 Broad street.

John Carroll and Mrs. E. O'Malley are co-chairmen of the event and will be assisted by Mrs. J. Dunne, T. Pechitti, A. Neenan, Tim Curtain, C. Cordes and J. Murry.

Proceeds of the event will be used to stock the booth for the Fall Fiesta. Tickets may be bought at the door for 35 cents.

SEMANA NAUTICA

The Thirteenth Annual Semana Nautica will be held July 2, 3, and 4 of this year at Santa Barbara, according to the National Automobile Club. Winners in the sailing and speed boat races, the swimming, water skiing, and horsemanship events, and the gymkhana shows, will receive specially designed ribbon and medal awards, and all sports activities will be highlighted in a spectacular parade on July 4.

NEW WRINKLE IN TRAILERS—Herr Kaminsky, right, of Berlin, puts the finishing touches on the barrel home with which he and two companions plan to tour Europe. The contrivance, sleeping three, will be pulled by ropes attached to the ends of the axle. Kaminsky has already traveled through Holland, Belgium. France and Spain by himself, using a one-man barrel.

106 Syphilis Cases Reported In County During 1948

Syphilis cases reported in the county during 1948 numbered 106, according to this month's report from the department of public health and welfare.

Only 11.3 per cent of the cases were reported during their earliest stages — at the time the disease is most liable to be transmitted.

Harlin L. Wynns, M.D., superintendent of the health division, sent out a county-wide plea to doctors to report immediately all cases of syphilis.

"If we are to materially reduce the incidence of syphilis it is obvious that we should bring the infectious case under treatment early—before he has a chance to spread it to others," Dr. Wynns wrote in the report.

STRIPERS TAKEN

Striped bass anglers have been enjoying some first-rate sport during the past few days off China Camp, Marin county, reports the National Automobile Club. Although fish have been running small, many have been taken.

BREAKS PRECEDENT—Mrs. Georgia Ness Clark, Democratic national committeewoman from Kansas, has been nominated by President Truman for the post of treasurer of the United States to succeed W. A. Julian, recently killed in an auto crash. Confirmation by the Senate would make her the first woman to hold the $10,000-a-year job.

Thousands Of Calif. Hunters Seek Chance For One Of 500 Antelope Hunting Permits

There are at least 4,000 California hunters who want a chance at one o fthe 500 antelope hunting permits to be issued for the 1949 open season, the Division of Fish and Game has disclosed.

Another 6,000 hopeful nimrods are expected to apply for special permits before the application deadline July 20.

The first antelope season in four years was set by the Fish and Game Commission after hearing reports from the Bureau of Game Conservation and residents of northeastern California that herds are too numerous for the carrying capacity, or food production, of their range.

Bag limit is one male antelope with horns longer than ears.

The season will extend from August 27 to September 5 in a designated area of Lassen, Modoc, and Shasta counties. Each permit holder will receive a map outlining the restricted hunting section.

If you're a resident and would like a chance to take home the makings of an antelope stew, here's the procedure:

Apply for a preliminary application blank at the Sacramento office of the Division of Fish and Game, or any of 2800 license agencies. Fill it out and return it to the Sacramento office.

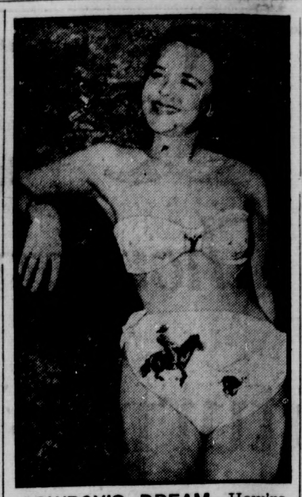
If yours is one of the 500 applications selected by lottery, a formal application will be sent asking for the special $7 fee. Three hundred alternate names will also be drawn and notified if openings occur by disqualification.

Upon receipt of the special license fee, the Division will mail a permit with complete hunting instructions.

Applications will not be accepted from anyone under the age of 16, or those who have received an antelope permit at any time during the last 10 years. Either a husband or wife, but not both, may apply.

DRIVE TO LIVE

Courtesy in every-day life makes for gracious living, but courtesy on the highway makes for continued living. The driver who observes highway courtesies is the driver least likely to become involved in a traffic accident.



COWBOY'S DREAM—How're you gonna keep 'em down on the ranch after they've seen Penny Karnofsky, of Phoenix, Ariz., wearing this two-piece swim suit? The brief, hand-painted suit features a western motif, emphasizing the lure of the wide open spaces.

Drivers: Avoid Mission St. From 3rd To 8th

Motorists were cautioned by the San Francisco Police Department this week to avoid westbound travel, whenever possible, on the city's second-most important downtown thoroughfare, Mission street.

Between Third and Eighth streets, intersections have been torn up by private utilities working on underground installations. Traffic westbound will be limited to one lane at Third, Fifth and Eighth. Northbound traffic on Third and Eighth, between Mission and Market also is limited to one lane.

The jobs are scheduled for completion by August 1, just in time for Mission street to be ripped up again for removal of streetcar tracks, to be completed just ahead of the annual Christmas shopping traffic jams.

NEVADA COUNTY TROUT

Trout fishing has been very good during the past week on Scotts Flat Rerservoir above Nevada City in Nevada county, according to the National Automobile Club. Although trollers have brought in most of the fish, bank fishermen using bait and flies have taken a good number.

SALMON LANDED

Many large salmon have been taken on spinners recently along the Sacramento River in the vicinity of Hamilton City in Glenn county, reports the National Automobile Club.

The American flag was raised in San Jose on July 13, 1846, by Captain Thomas Fallon.

Raisins were first produced in Fresno county in 1877 on the F. T. Eisen Ranch.

Purchase Site For Peninsula Iceland

Site of the new Peninsula Iceland, two and a half acres of land on the San Carlos - Belmont line between El Camino Real and the Southern Pacific right-of-way, has been purchased, William W. Gill, president, announced recently.

The property was acquired from T. I. Moseley, president of the Dalmo Manufacturing company, and the Dalmo Victor company, for an amount reputed to be in excess of $50,000.

This site was chosen, Gill reported, as being the most central location for Peninsula ice skating enthusiasts. An 85 by 185 foot rink will be constructed later this year, he added, and will be outstanding in that the most modern equipment and architecture are being combined to make this one of the finest structures of its kind in the country.

CAR LOCK LUBRICATION

A small quantity of powdered graphite placed in a paper funnel and blown into automobile door locks makes an excellent lubricant for these units, according to the California State Automobile Association.

SPORT FISHING GOOD

Sport fishing has been excellent during the past week up and down the coast of Los Angeles county, according to the National Automobile Club. Good catches of bass, halibut, barracuda, and yellowtail have been landed.

LOTSA LOBSTER—Vince Mondi, of New Hyde Park, N. Y., has a job holding the 40-pound lobster he caught in the Cholera Banks off Long Island, N. Y. The king-sized crustacean is believed to be one of the largest ever snared in these waters.

Girls' Guild Of Presbyterian Church Entertain Mothers

The Business Girls' Guild of the Grace Presbyterian Church entertained their mothers last Wednesday evening in the social room of the church.

Madyline Mejia had charge of the meeting. Dolores Winter and Alice Williams gave reports of the activities of the guild. Betty Sorentino presented each mother with a corsage and a gift on behalf of the club.

The group was entertained with moving pictures shown by Mr. and Mrs. L. Delatour of some of their extensive trips.

Special guests were Rev. and Mrs. William Harberts.

"Human Growth" Film Approved 47 To 1

During the past five months, more than 10,000 children and adults on the Peninsula have viewed the film, "Human Growth," in 119 separate showings under the joint sponsorship of Seventeenth District, California Congress of Parents and Teachers (CCPT) and the Mental Health Society of San Mateo County.

Attendees at early filmings were given questionnaires on which to express their reactions. Of these, 3887 voted unqualified approval of the presentation while 81 indicated disapproval; a ratio of 47 to 1. These facts are contained in the annual report of the social hygiene committee of 17th District, Mrs. Clemens Friedell, chairman.

The majority of those responding selected fifth grade as the point in school curriculum where they felt the film should first be shown. They called for continuing instruction right through high school and stressed their belief in the importance of well-trained, well-balanced teachers as commentators, thoroughly trained in this field and familiar with the subject, at ease in answering questions.

There were many requests for an adult education program to assist in home training and a general belief that human relations courses should begin as early as the first grade and provide each child with an understanding of reproductive processes appropriate to his age.

LAW OF NATURE

Modern automobiles are mechanical marvels, but they have their limitations, imposed by the laws of nature. For instance, the California State Automobile Association points out, your automobile cannot escape the law of centrifugal force which throws a car off the road if it speeds too rapidly around a curve. For safety's sake, slow down when approaching a curve.

Alaska Highway Motoring Is For The Adventurous

The Alaska Highway beckons to a growing number of motorists this summer. Those who undertake the trip, the California State Automobile Association advises, should have the adventurous spirit.

It is not a trip that can be ventured by a motorist who has a car in less than first-class condition and who grows uneasy over occasional hardships en route.

A round trip from San Francisco to Fairbanks, Alaska, would be more than 7,000 miles, equal to a coast-to-coast trip both ways but with considerable differences in road surfaces and living comforts most of the way.

The swanky accommodations expected in the hotels and motor courts of the United States are non-existent on the wilderness highway. Nor is it a terrapin and truffles tour; fine foods aren't to be had.

The traveler with an irrepressible pioneering streak who wants to "give it a try" also should take into consideration the time involved.

From Spokane, Washington, a full month should be allowed for the round trip. Add to that the time needed to get from San Francisco to Spokane, a distance of almost a thousand miles requiring about two and a half days to drive at reasonable speed. Any sight-seeing stop-overs will mean additional days.

Beyond Edmonton, Canada, the road surface is almost entirely gravel. Much of it can be driven comfortably at 45 miles an hour, but some stretches are bumpy, rutted and hilly — and if dry, dusty — calling for a decrease of speed to 30, 25 or even 20 miles an hour at best.

There are sufficient gasoline stations along the way, but motor fuel is higher in price than in the United States.

Bay City Birthday Party June 29

San Francisco will celebrate its 173rd birthday Wednesday, June 29, this year, with formal ceremonies opening at old Mission Dolores at 10 a.m. when Bishop James T. O'Dowd will offer mass.

The traditional tribute to the city's co-founders, Father Francisco Palou and Captain Jose Joaquin Moraga, and Father Junipero Serra, will be held in the old cemetery at the Mission.

The celebration will then move to the Presidio, where luncheon will be served in the city's oldest building, the Presidio Officer's Club. Dr. Herbert E. Bolton, director emeritus of Bancroft Library at the University of California, and an authority on San Francisco and California history, will be the featured speaker.

MISSION COMES TO LIFE—An empty ruin for many years, the mission of San Antonio de Padua in southern California is in the process of restoration by brown-frocked Franciscan padres and brothers. The mission was founded in 1771, but the ravages of time forced the monks to abandon it years ago. A recent donation by a generous American enabled the Franciscans to begin reconstruction, using adobe brick and old-time building methods.

SPORT FISHING EXCELLENT

Sport fishing has been excellent during the past week in the Los Angeles county area. Large catches of barracuda, white sea bass, rock bass, and yellowtail have been brought in.

PRICE OF SAFETY

The French proverb, "nothing is had for nothing," applies also to traffic safety, the price of which is constant alertness, whether walking or driving, points out the California State Automobile Association.

SAFE PASSING

Wise motorists pass only when the road is straight and open, points out the Public Safety Department of the National Automobile Club. To pass when approaching a curve, the crest of a hill, or an intersection, is to take one of these long chances that lead to a short life.

Recipe of the Week
BY MARY LEE TAYLOR

Coconut Squares

1½ tablespoons Pet Milk
1½ teaspoons soft butter or margarine
few grains salt
½ teaspoon vanilla
¼ cup powdered sugar
8 two-inch squares plain cake*
1¼ cups shredded coconut

Put into bowl the milk, butter, salt and vanilla. Stir in sugar, about ¼ cup at a time. Beat until smooth and creamy after each addition of sugar. Spread on top and sides of cake squares. Roll each square, as it is spread with the frosting, in coconut. Let stand at room temperature until frosting is firm. Makes 8 squares.

★Angel or sponge cake also can be used.
